KHES CARNIVAL

SATURDAY, OCTOBER 17

Get ready for one of the funnest days on the Outer Banks! Its KHES

Carnival time.

And, its time for you to offer

Welcome Back Falcons!

Dear PTA Member,

Well, we've done it. We've gotten one week of school under our belt. Routines are starting to develop, schedules are starting to smooth out and we are off and running with another great school year ahead. Whew.

This is the new version of the Hawk Talk produced by the KHES PTA. For the first version, we will distribute this via paper and email. After that we will revert back to email only. We do this primarily to provide the most up to date information possible by using links to the [website](#)*. We also are anxious to model to our students how we can reduce paper usage.

We want to **keep communicating with you** with this new format. To do that, we need to ask that you **renew your PTA membership**.

- We need **451 members or one member per child**, so parents, caregivers, and grandparents should join to stay informed and support our school.
- Did you know that **100% of the faculty, administration and staff were PTA members** in 2009?
- **Look for our membership forms** in backpacks, on the school website and you can see us at Back to School night on September 15th.

I know that most of you know this already, but this is a challenging school year for KHES because of state and county budget cut backs. This year, more than ever, we need for carnival to be a success so that your PTA can bridge the gap and keep our kids learning and growing in such an exceptional environment. Help with carnival in some way. It is all of our responsibility.

See you on September 15th for Back to School Night!
